- *Working towards achieving meaningful outcomes at the grassroots level through inclusive, connected and innovative practices*
- *Providing a seamless transition to mainstream services and an increased awareness of local services*
- *Working towards making mainstream services more Aboriginal and Torres Strait Islander friendly*

# Opportunities

Supporting mental health recovery

## *National Disability Insurance Scheme and Partners in Recovery*

- *Extension of PIR to support the transition the NDIS*
- *Service coordination for the PIR clients is available under NDIS*

*Model is highly transferrable to other regional and rural communities*

# Powerful words

Supporting mental health recovery

***Recovery** is a journey, a reconnection to  
self, others, nature and spirit.*

*A willingness to forgive, an openness toward  
reconciliation and a search for peace.*

*Duane Sherry*
