

# Co-Production and co-delivery

Supporting mental health recovery

# Co-production and co-delivery

- Bringing together expertise, our workforce
  - lived experience,
  - people that work in services,
  - family/friends/carers
  - subject expertise in all aspects of college design, development and delivery

# Co-production and co-delivery

- Top down co-production approach, from conception to delivery.
- We have Governance meetings, working groups, curriculum committee, course co-production workshops.
- *“Nothing about us without us”*.
- Different to consumer involvement.
